

4th Annual Earth Day Celebration!

Come help the **City of Solon Service Department** “go green” and celebrate **Earth Day** on **Sunday, April 25, 2010** between the hours of **8:30am and 1:00pm** at the **Solon Community Park!**

Come celebrate with the Solon Service Department for the fourth year in a row as we give away **tree seedlings** for planting, refreshments, show why recycling is so important to our planet, have **trucks and tractors** available for the little ones to climb on and of course we will be selling and loading bags of Solon’s finest **mulch** for \$2.00 each. (\$1.00 a bag for Solon Seniors) (Because of the high demand for mulch, there is a limit of 10 bags per car that day and is sold on a first come first serve basis.)

Our celebration will also include a **Community Wide Shred!** Residents & local business owners can bring up to five boxes of records such as **tax forms, medical records, bills & receipts** for secure shredding. We will also offer “**E-Scrap**” that day to dispose of old computers safely. Bring computers and monitors to the park for disposal! Staff will be on hand to assist you with all your items.

This year the City of Solon has partnered with the **Cuyahoga County Solid Waste District** to promote **backyard composting!** Equipment that will eventually be available to purchase by the residential gardener and “how to” demonstrations will be shown that day.

Learn how to enrich your own soil through composting!

Come out and enjoy spring time!
